## News from Our CD

On Oct. 5, we went to V2's fundraiser. We had a great time and as usual the food was really good.

There is still time to ride even when the weather is getting colder. Just remember to dress warmer when you go out on rides. If it gets warmer when you are out riding you can take off the heavier clothes. Also remember to watch out for wet leaves and dead animals in the road. Watch for deer. They are on the move this time of the year.

Nov. 16 is the officers meeting in Orbits. We hope to see all our officers there. It starts at 9:00 AM. Nov. 11 is Veterans Day. Please keep them all in your prayers.

Have a Happy Thanksgiving! And remember to be safe.

## News from our MEC

We had a fantastic meeting last month. let's keep it up. Then we went down to V-2 rigatoni dinner that was great. Tuesday's dinner ride took us to the Roadhouse in Wellsville where Nora had us play a game while we waited on dinner which was great dinner. Great evening. With the weather getting cooler. Just remember to layer and never ever forget to RECRUIT!

Thanks, see you next month. MOM

# News from Our Ride Coordinator

END OF OCT ALREADY!!??

Where has this year gone? Is it because I am getting older and we were all just so busy? I will pick that we were all just busy.

Linda and I had a couple of family additions that took us away from some chapter activities these past few weeks.

Yep! Another great granddaughter added to the growing list of girls in the clan. But, low and behold, a boy popped out into the fray on Oct 11<sup>th</sup>. Jude Carter will be meeting the clan here shortly.

Linda and I will be handing out the 2020 Chapter M Ride Schedule suggestion sheets. We are looking for suggestions for breakfast, dinner, ice cream, pizza, day rides and overnight rides. Have you been to these places that you suggest? If not, please Google them for some info to share when we all select the 2020 events.

I would like to suggest for those members not going to 2020 Wing-Ding, a week vacation somewhere. For those who have not ridden New England, we would suggest that.

We had a good turnout, 16, for this month's pizza night. Pinky's, nothing fancy but pretty good food. They were busy with another group there. We also had a good meal at the Riverside Roadhouse in Wellsville.

November's schedule is somewhat busy with 2 breakfasts, Chapter I Road kill dinner, monthly dinner, Fall Officers meeting, pizza night, and gathering.

We want to welcome 2 new prospective members who joined us last night at Pinky's for pizza night. Hope those attending didn't scare them off.

Welcome to Steve and Jen Bates.

There is probably something I forgot but I don't recall it now, so this is it till next month.

Hello Fellow Riders

I have been reflecting on GWRRA's Motto...**Friends for Fun, Safety and Knowledge.** This has motivated me to write on the GWRRA Rider Education Levels Program. Let's review this program and maybe even promote it. 😊

Level I "**Safety By Commitment**" is simply a statement of the Rider/Co-Rider to make riding safer for themselves and those **Friends** they ride along with. There is no cost to register in the Levels Program. The Rider/Co-Rider can if they wish purchase patches to display on their vests.

Level II "**Safety By Education**" this level requires the Rider/Co-Rider to have signed onto Level I along with accumulating 5,000 safe miles since joining GWRRA and has taken an approved rider course or co-rider course in the past 3 years. A complete list of approved rider courses can be requested from your District Educator. Yes, while GWRRA has its own Rider Courses we do accept many alternative rider courses that meets our standards so our Rider/Co-Riders can maintain the Levels requirements.

The GWRRA form to sign up **for** Level I – III is the N.7 Rider Education Program Levels Application. This form can be downloaded from GWRRA or ask your District Educator to have one emailed.

Level III Certified Tour Rider/Co-Rider "**Safety By Preparedness**" adds more **Knowledge** in the form of CPR or First Aid training and a commitment to carry a First Aid Kit on the Bike. Rider/Co-Rider must be current in Level II to advance to Level III.

Participants are **STRONGLY URGED** to wear proper riding gear while riding!

For those who have a higher commitment to **Safety** we have...

Level IV Master Tour Rider/Co-Rider "**Safety by Enhanced Preparedness & Experience**" You must be current and have full year at Level III, have ridden at least 25,000 safe miles since joining GWRRA, have completed an approved Rider course within the past 3 years and must be certified in both CPR and First Aid. Co-riders must meet the same requirements with the substitution of a Co-rider seminar or 2-Up riding course.

To apply for the Master Tour Rider Program, submit the N.9 Master Tour Rider/Co-Rider Application. You will forward the completed and signed form and fee to your District Educator. The fee includes your Master Tour Rider/Co-Rider Patch.

The GWRRA Rider Education Program (REP) is intended to make the motorcycle environment safer by reducing injuries and fatalities and increasing motorcyclist skills and awareness.

For more information about the GWRRA Rider Education Program please follow this link: <http://www.gwrra.org/regional/ridered/levelsprogram.html>

If your local chapter has added the new chapter staff position of "Chapter Skill Enhancement Advisor", that person will work with the District Educator to keep abreast of all the training opportunities made available to our members. This will help members have a much safer and, in my opinion, much more **Fun** riding experience.

Good Evening NE Chapters

I have been asked to let you know that Mystical Moments in Thyme is going to be relocating to Tennessee in the near future. It won't matter to most of us in the NE since we only see them at Rallies or festivals. If you need to order something from Terri, you can still do that via the internet or by text. The shop is NOT CLOSING, they are just moving.
